

CHANGEOVER POINTS AND CUT-OFF TIMES

CAR PARKING – To avoid complaints and future problems (we do hope to run the relay race in future years) **please ensure drives; gateways and other access points are not obstructed by careless parking.**

START AND FINISH – Both the start and finish will take place on the road in front of the Garforth Sports & Leisure Centre. The route will be marshalled for the first half mile to a point to the east side of Garforth Comprehensive School. At this point you are on the L.C.W. The finish will be the reverse of the start, i.e. on reaching the disused railway line turn left, continue to Ninelands Lane, and turn left to the finish at the Garforth Sports & Leisure Centre.

Teams will be sent back or time penalised for short cutting this section.**

5TH CHANGEOVER Thorner Lane, Scarcroft Cut-off time – 15.30 (7.30 hrs)

***PLEASE NOTE CHANGES TO PARKING ARRANGEMENTS**

We have been fortunate to be able to obtain permission from a local resident to use a field for car parking at Thorner Lane on race day, which solves a long standing problem with parking on this leg. The field is only 100 metres from the changeover point, and will be signposted. Out of respect for the local residents and their generosity in allowing us to use their land, can you please ensure you park **ONLY** in the car park, and not on the verges, roadside or driveways in the surrounding area . Please co-operate in order not to cause friction with the Local Residents.

CUT-OFF TIMES – Should any team not complete their legs before the specified cut-off times, there will be a mass start for the remaining teams and any individual leg runners.

Please ensure that you print a copy of the route directions from our website just prior to the race as there may be minor clarifications to the directions in some instances.
