- The organisers reserve the right to disqualify those who fail to follow rules and conditions.
- Race Permit and Risk Assessment will be displayed at the start.
- Declaration: "I hereby agree to adhere to UK Athletics laws. I am not under 18 years old. I accept that the organisers of the event will not be held responsible for loss, damage or illness caused during or as a result of the event. I declare I am medically fit to race and will only compete at my own risk."

Risks

- **Please ensure teams run routes beforehand, as it is a self-navigating race. If you need assistance on race day, please contact the Race Director Helen Cowley on 07905 328722.**
- **Make sure you drink plenty of water and carry some en route to stop dehydration, particularly if the weather is warm. Water will be available at each checkpoint.**
- **This is a multi-terrain route, therefore there are many areas for potentially trip points, so take care, and please keep to the paths where possible.**
- **Please make sure you check before crossing busy roads.**
- **Please be aware that this route is a public footpath, and as such, will be open to the general public. Please be courteous and considerate to other users of the Leeds Country Way.**
- **If a runner gets injured en route, please report to other runners, or call the Race Director on 07905328722 so help can be sent or make your way to the nearest checkpoint, where we will have our own First Aiders.**
- **PLEASE do not run if you had any recent surgery.**
- **If any member has any special medical requirements please inform marshals at checkpoints or at registration.**

Above all, please enjoy your day on Sunday 3rd September 2023
